

In the specification:

Please insert after the “Brief Description of Drawings” on page 10, line 10 the following new paragraph:

The file of this patent or application publication contains at least one drawing executed in color. Copies of this patent or application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

Replace the paragraph found at page 10, line 13 with the following new paragraph:

Figure 2 shows a schematic diagram of the *Arabidopsis* WRKY29 polypeptide, including the WRKY domain (SEQ ID NO:1) and its W box target sequence.
